

Fall Tour & Pub Run

By Dave McCann

We were very lucky to have a beautiful day for our Fall tour. I hope everyone enjoyed themselves and made it home safely. As you can see in the photos, it was a bright sunny day. Ron and I scouted the route on Saturday, as is customary. We happened upon this log house with a British Flag, so we stopped in. It turned out the guy collects motorcycles. Sunday we stopped in again to look at his collection. He says he has 72 vintage bikes. I know we didn't see them all, but enough to have Terry Looft drooling.

Speaking of drooling, how about those ice cream cones in West Liberty? The Gribler's were in a hurry to get home, so they had to eat on the road. I think that is a great photo of them in their MG eating their ice cream cones. It should make the cover of one of our national magazines.

And, contrary to popular belief, at no time were we lost!
