

## The British Return to Ft. Meigs

By Ron Parks

Several members of the MG Car Club Southwestern Ohio Centre attended the British Car show at Ft. Meigs in Perrysburg on Sunday June 3, 2007. Michael Hooker won first place with his perfectly restored, red and black Austin Healey. Charlie McCamey and Ron Parks won awards of excellence with their MGBs. We had our tops down for the show, but encountered very heavy rain on the trip home.
