Other Meeting Items

Remember the Arthritis Foundation Classic Car Show is on July 25 at Ameriflora 92. That's coming up quick. If you were planning on participating, you need to contact Jack Smittle ASAP. Phone (614) 882-6191.

The British Car and Cycle Days organizing committee is tentatively planning a visit to the Dayton Art Institute on July 29 to survey the grounds for the show. More on this at the next meeting.

The proposed amendments to the Club By-Laws were again submitted and reviewed at the June meeting. The proposed changes and modifications from the June meeting have been included in this publication for general membership review. This information will be published in the July and August Octagon newsletter as required. A vote will be held during the regular August meeting if no additional changes are requested. A 3/4 majority vote by the members attending the meeting is required for approval of the changes. Each amendment will be voted on as a separate issue.

From the mail bag we received a letter from the MG Car Club Ltd. Acting club chairman, Malcilm Lawrence, sent letters to all North American clubs concerning the establishment of a North American MG Car Club. Basically the idea met extreme resistance from existing organizations or individuals and therefore the "project is postponed indifinitely". Refunds or memberships to the MGCC of UK will be given to those who had already signed up. The letter also offered an apology to those who were offended by the plan. I guess this one is listed as a giant OOPS.
